Thread Direction:

Right-hand all ends

Valve Size:

2.0 inches

Product Name:

Clas 125 bronze check valve

Material:

Copper alloy body

Material Specification:

Astmb62 assn standard single material response body

Media For Which Designed:

Water-oil-gas single response

Thread Series Designator:

Npt all ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530b0
