**Thread Direction:**

Right-hand all ends

**Valve Size:**

2.0 inches

**Product Name:**

Clas 125 bronze check valve

**Material:**

Copper alloy body

**Material Specification:**

Astmb62 assn standard single material response body

**Media For Which Designed:**

Water-oil-gas single response

**Thread Series Designator:**

Npt all ends

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A530b0
