End Application:

3/4" 55mm back pressure control union ends

Product Name:

Disc retainer assembly

Material:

Nickel alloy

Material Specification:

Qq-n-281 cl b/astm d2000 68g907 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A512e0
