**End Application:**

3/4" 55mm back pressure control union ends

**Product Name:**

Disc retainer assembly

**Material:**

Nickel alloy

**Material Specification:**

Qq-n-281 cl b/astm d2000 68g907 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A512e0
