**End Application:**

4 inch cl 150 flanged aeroflow actuator

**Valve Size For Which Designed:**

4.000 inches

**Product Name:**

Cage

**Material:**

Stainless steel

**Material Specification:**

Aisi 420 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A515r0
