Valve Operation Method:

Manual

Connection Type:

Threaded internal pipe all ends

Face To Face Distance:

2.060 inches

Product Name:

Severe service union bonnet needle valve

Material:

Steel stainless body

Style Designator:

Straight thru

Thread Series Designator:

Npt all ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
