Body Material:

Bronze

Media For Which Designed:

Air and natural gas and water

Maximum Inlet Pressure Rating:

400.0 pounds per square inch

Filter:

Included

End Application:

Seperator, oi

Product Name:

Regulator, pressure

Special Features:

Pentair valve & controls is oem, no cage code

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A21100
