Valve Operation Method:

Automatic

Body Material:

Steel

Special Features:

Screw adjustment; seals - nitrile, buna - n; flow 200lp (53gpm); pressure/turn 34bar(493psi) ; pilot ratio 3: 1; operating temp -40 to 93 degree c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A504k0
