Maximum Operating Temp:

200.0 degrees fahrenheit single response

End Application:

5419-01-539-7178; expeditionary latrine system

Product Name:

Miniature chrome-plated brass ball valve

Special Features:

Screwdriver handle

Material:

Plastic polytetrafluoroethylene seat

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
