Flow Control Device:

Disk

End Application:

Valve, swing

Valve Operation Method:

Automatic

Valve Size:

1.5 inches

Face To Face Distance:

2.56 inches

Product Name:

Valve, check 1/2in.

Material:

Bronze silicon body

Material Specification:

Astm b 62 national specification single material response body

Style Designator:

Straight thru

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530b0
