**Flow Control Device:**

Disk

**End Application:**

Valve, swing

**Valve Operation Method:**

Automatic

**Valve Size:**

1.5 inches

**Face To Face Distance:**

2.56 inches

**Product Name:**

Valve, check 1/2in.

**Material:**

Bronze silicon body

**Material Specification:**

Astm b 62 national specification single material response body

**Style Designator:**

Straight thru

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A530b0
