Body Material:

Bronze

Product Name:

3 way temperature control valve

Special Features:

Valve size 4 inch (dn100), basic actuator 110/120v ac electric-gef only, actuator options 4-20ma electronic positioner with position retransmit, connections flanged pn16,

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A21100
