**Body Material:**

Bronze

**Product Name:**

3 way temperature control valve

**Special Features:**

Valve size 4 inch (dn100), basic actuator 110/120v ac electric-gef only, actuator options 4-20ma electronic positioner with position retransmit, connections flanged pn16,

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A21100
