Temperature Regulating Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-643-9203

Body Material:
Bronze
Product Name:
3 way temperature control valve
Special Features:
Valve size 4 inch (dn100), basic actuator 110/120v ac electric-gef only, actuator options 4-20ma electronic positioner with position
retransmit, connections flanged pn16,
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A21100
