Valve Operation Method:

Manual

Valve Size:

0.750 inches

Product Name:

Two-piece thread ball valve

Special Features:

Seat is rtf (reinforced tfe)

Material:

Steel stainless body

Material Specification:

Astm 351 assn standard single material response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
