# NSN 4820-01-643-9997

Ball Valve - Page 1 of 1

# Valve Operation Method:

Manual

# Valve Size:

0.750 inches

# Product Name:

Two-piece thread ball valve

# **Special Features:**

Seat is rtfe (reinforced tfe)

### Material:

Steel stainless body

# Material Specification:

Astm 351 assn standard single material response body

### Shelf Life:

N/a

## Unit Of Measure:

--

# Demilitarization:

No

# Fiig:

A046b0
