Overall Length:

12.313 inches

Overall Width:

10.188 inches

Media For Which Designed:

Air

Manual Control Method:

Lever

End Application:

Engine, diesel

Product Name:

High-speed pneumatic pressure controller

Special Features:

240 vac; 50/60 hz; 700 ma

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A21100
