Disk Loading Method:

Spring

Connection Style:

Barbed-beaded (hose) 1st end

Valve Operation Method:

Automatic

Product Name:

Modular check valve

Special Features:

Fits tubing inside diameter 0.375 inches; spring pressure: 0.11-20.0 psi;

Material:

Plastic body

Media For Which Designed:

Liquid 2nd response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530b0
