End Application:

4210-01-622-0440

Maximum Operating Pressure:

5000.00 pounds per square inch

Product Name:

Pilot operated, pressure reducing valve

Special Features:

400 psi set

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A519r0
