Mounting Type:

Bench

Current Type:

Dc

Accessory Components And Quantity:

Adapter set 1; chart, gap setting 1; gage, gap setting 1; stand, mounting 1

Design Type:

Variable pressure

Hose Connection Type:

Quick coupling

Spark Plug Size Accommodated:

10.0 millimeters

Pressure Rating And Type Required:

120 to 150 psi air pressure required

Hose Connection Size:

0.250 inches

Spark Indication Method:

Steel mirror

Voltage In Volts:

12.0

Special Features:

Spark plug size accommodated also 0.875 in. And 18.000, 14.000 mm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T273-m
