**End Application:**

2350-01-081-8138

**Product Name:**

Adjuster, spring tension

**Special Features:**

Nha p/n 2601118; hub is hex shape and is 1.106 in nom across the flats and is 1.000 in nom in height; diameter of hub center hole is 0.656 in nom and is the 20 degree type; arm is 2.531 in nom in length

**Material:**

Steel

**Surface Treatment:**

Zinc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23900
