End Application:

2350-01-081-8138

Product Name:

Adjuster, spring tension

Special Features:

Nha p/n 2601118; hub is hex shape and is 1.106 in nom across the flats and is 1.000 in nom in height; diameter of hub center hole is 0.656 in nom and is the 20 degree type; arm is 2.531 in nom in length

Material:

Steel

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
