**End Application:**

Engine, outboard, mercury 1135v23ed; engine, outboard, mercury 1135v24ed; engine, outboard, 150 hp, 40cycle, standard rtn;  
engine, outboard, 150 hp, 40cycle, ctr rtn

**Accessory Components And Quantity:**

Includes compression guage and hose assembly, standard reach adaptor (m14 x 1.25), long reach adaptor (m10 x 1.0), standard reach adaptor (m12 x 1.25), and check valves (6 each) in storage case

**Design Type:**

Direct

**Product Name:**

Cage: set, motorcycle compression guage

**Special Features:**

For use on spark ignited gasoline engines that do not exceed 300 psi compression

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T273-g
