Overall Length:

62.00 inches

Overall Height:

89.00 inches

Overall Width:

67.00 inches

End Application:

Gsp9700-rft32

Product Name:

Balancer, wheel vehicle

Special Features:

Wheel lift system, auto clamp system, tdc laser system, power requirements 196-253v, 10 amp, 50/60 hz, 1ph (power cable includes: nema 20 amp plug, l6-20p), 100-175 psi, rim width 1.5-20.5 in, rim diameter 10-30 in, alu 14-44 in, maximum tire diameter 40 inches, maximum tire width 20 inches, maximum tire weight 175 lbs, radial and lateral runout accurace 0.002 in, 512 positions placement accuracy, balancing speed 300 rpm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
