Fragility Factor:

Moderately delicate

Component Quantity:

6

Component Document Origin:

Government

Document Source:

01365

Supply Items And Quantities:

Case, q type 1 cable, usb, q type 1 adapter, electronic, q type 1 cable, adapter transit case

Nonsupply Items And Quantities:

Compact disc, q type 1

Identification Designator:

Dearborn adapter kit

Package Model Number:

08015a6000

Container Type:

Case

Special Features:

Contains items to interface the electronic maintenance device (emd) to standard vehicle interface connectors for the purpose of testing

Functional Description:

Used to interface computer to standard vehicle interface connectors for the purpose of testing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23800
