**End Application:**

C-141 aircraft electromechanical rotary actuator 35910

**Special Features:**

Nain: coupling assembly, s

**Functional Description:**

Used to connect actuator output shaft to test set input shaft

**Reference Data And Literature:**

To 8d1-14-120-3

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T389-c
