End Application:

Servocylinder

Nominal length:

2.000 inches

Nominal width:

1.500 inches

Nominal height:

0.500 inches

Special Features:

Corrosion resistant steel; center hole 0.997 dia.; company item name-centering fixture

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A505c0
