**End Application:**

Servocylinder

**Nominal length:**

2.000 inches

**Nominal width:**

1.500 inches

**Nominal height:**

0.500 inches

**Special Features:**

Corrosion resistant steel; center hole 0.997 dia.; company item name-centering fixture

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A505c0
