End Application:

F-15 acft

Unpackaged Unit Height:

3.000 inches

Special Features:

6 in. Dia

Functional Description:

Used to adapt the cooling turbine to the cooling turbine break in stand

Reference Data And Literature:

Serd no. 0865

Supplementary Features:

Company name-adapter, break in stand

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
