**End Application:**

F-15 acft

**Unpackaged Unit Height:**

3.000 inches

**Special Features:**

6 in. Dia

**Functional Description:**

Used to adapt the cooling turbine to the cooling turbine break in stand

**Reference Data And Literature:**

Serd no. 0865

**Supplementary Features:**

Company name-adapter, break in stand

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
