End Application:

Servo valve 2176a-1 part no 010-20480

Product Name:

Adapter plate

Special Features:

Company item name-adapter, plate manifold

Functional Description:

Used to adapt mounting manifold for nozzle setting fixture part no t-7234

Reference Data And Literature:

To 5a26-4-3-3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
