**End Application:**

F100-pw-100/200/330/220e

**Special Features:**

C/o weight assembly (p/n pwa513276) 1. And plastic container 3.000 in. L, 1.125 in. Id; total assembly weightis .7741 porm .0010 ounce

**Functional Description:**

Weight calibration rear compressor rear hub balance (rear)

**Reference Data And Literature:**

Serd no. 0723

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A505c0
