End Application:

4920-00-857-6895

Special Features:

To name: ground spoiler actuator fixture

Functional Description:

Used to provide connections of test stand to spoiler actuator

Reference Data And Literature:

To 9h2-4-214-4

Reference Number Differentiating Characteristics:

Differentiated by source control drawing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
