End Application:

F-15, f4e acft

Nominallength:

3.500 inches

Nominaldiameter:

3.500 inches

Special Features:

Company name-fixture, adapter, test

Functional Description:

Used to adapt a hydraulic test stand which supplies hyd power to drive motor

Unpackaged Unit Weight:

10.000 ounces

Reference Data And Literature:

Serd no. 0735

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505c0
