Overall Length:

4.200 inches

Overall Height:

2.800 inches

Overall Width:

2.800 inches

Switch Position Quantity:

3

Adjustment Method:

Toggle switch

Test Item Connection Method:

Integral socket

Switch Quantity:

1

Special Features:

Body material: metal

Fsc Application Data:

Indicator, test sets, specially designed, acft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A537k0
