**End Application:**

Electromechanical rotary actuator series541076-4

**Special Features:**

To name: rigid shaft coupling assembly

**Functional Description:**

Used to adapt output shaft to test set

**Reference Data And Literature:**

To 8d1-14-156-3

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
