End Application:

F-15 acft

Product Name:

Adapter, valve test

Functional Description:

Permits operation of the acacs valves w/o operation of acacs, by supplying air to the valve servo system

Reference Data And Literature:

Serd no. 1244; to 1f-15a-4-6

General Description:

Stainless steel nylon, 1.250 in. Dia, 4.000 in. Lg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
