End Application:

Aircraft propeller beta valve series 717876

Product Name:

Driver, bearing installing

Functional Description:

Used to install bearings in beta valve bellcrank

Reference Data And Literature:

To 3ha2-10-2 & navair 03-110ad-25

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
