End Application:

F/15a aircraft constant speed mechanical drive series 711595

Special Features:

Steel, 0.750 in. Od, 0.388 in. Id, 5.000 in. Lg

Functional Description:

Used to measure the bore diameter of the csd pistons

Reference Data And Literature:

To 9h6-3-36-4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
