End Application:

F-15 acft

Unpackaged Unit Length:

2.000 inches

Special Features:

Steel; appx 3.000 in. Dia; with 5/16-24 unf-3b rh internal thread

Functional Description:

Used during depot maintenance of the lh and rh gearboxes to adapt the gearbox governors to the 281007 speed sensor calibrator

Reference Data And Literature:

Serd no. 1755

Supplementary Features:

Company name-adapter, calibrator and governor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
