End Application:

Turbofan engine, no. Tf41-a-1

Special Features:

Name assigned by controlling authority: arbor, checking, internal gearbox inboard hsg dr roller brg

Functional Description:

Fixture for checking clearance between gearbox and roller bearing

Reference Data And Literature:

T.O.2j-tf41-4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505c0
