Housing Material:

Steel

Attachment Method:

Mounted by one horizontal dowel pin first end and one vertical 28unf-3a thread setscrew second end

Vial Graduations:

Not included

Vial In Accordance W/military Std:

Not provided

Vial Shape:

Cylindrical

Fsc Application Data:

Pressure generator unit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T370-c
