End Application:

B-52/kc-135 acft

Power Source:

External

Terminal Type And Quantity:

2 quick disconnect, female and 1 quick disconnect, male

Special Features:

Manufacturers name=pressure and vacuum integral tank leakage test control panel

Reference Data And Literature:

33d2-3-31-4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A31700
