## NSN 4920-00-670-1625

Aircraft Maintenance Fixture - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4920-00-670-1625

End Application:
Aircraft propeller controls
Nominallength:
15.255 inches
Nominalheight:
5.800 inches
Special Features:
Fixture, pump test
Functional Description:
Used to test control pumps with gs1400 test stand
Reference Data And Literature:
To 3ha2-7-3
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A505c0
