End Application:

Aircraft pneumatic pressure regulator and relief valves 17660, 17670, & 18110

Product Name:

Plug, vent

Functional Description:

For pilot leakage test

Reference Data And Literature:

To 6j11-15-3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
