**Product Name:**

Alignment-measuring device, main landing gear trunnion bearings

**Special Features:**

Case dimensions 79.75in l, 13in w, 21.75in h

**Reference Data And Literature:**

Lockheed drawing 4s90349

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A505c0
