End Application:

J85-ge series turbojet engines

Product Name:

Platform, maintenance

Special Features:

Used to support maintenance personal during assembly of hot section on 21c539 stand; c/o grating, channel 2, bracket 4, grip strut 12, bolt 12, nut 12, washer 12

Reference Data And Literature:

To 2j-j85-54

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T361-c
