Special Features:

Nain: test set, countermeasure; c/o pulse and reference generator microwave generator, veractor modulator, audio oscillator, crystal detector, video amplifier, transistor and gate circuits

Functional Description:

Used with portable battery oper. Test equip to provide tests for an/alq-19; an/alq-32a; an/alq-35; an/alq-41; an/alq-51

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T228-a
