End Application:

Hydraulic return filter series ad-8207

Product Name:

Test block, differential pressure indicator

Functional Description:

Used to test rc551uh097a differential pressure indicator

Reference Data And Literature:

Af3 (657) 15053; to 9h3-3-80-3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537h0
