End Application:

Tf41 aircraft engine

Product Name:

Adapter, lifting, lp compressor rotor horizontal

Special Features:

Company item name-adapter, lifting

Functional Description:

Used horizontal rotor repair of the low pressure compress

Reference Data And Literature:

T.O.2j-tf41-4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537k0
